

Alamo RC&D Area Inc.

Alamo RC&D is here to make good things happen in your local community!

Local Economic
Development

Social and Human
Resources

Natural Resource
Conservation

Fire Protection
and Safety

Dear Volunteer,

Alamo RC&D Area Inc is a non profit organization with a 10 county wide service area including Atascosa, Bandera, Bexar, Comal, Frio, Kendall, Kerr, Guadalupe, Medina and Wilson Counties. The purpose of the RC&D Program is to encourage and improve the capability of volunteer, locally elected, and civic leaders in designated RC&D Areas to deliver coordinated resource conservation and economic development assistance. Alamo RC&D Area, Inc. focuses on assisting local communities by providing tools and technical support to stabilize, mobilize and energize local communities while protecting and developing natural resources. The RC&D concept is carried out by diverse groups of local volunteers who are brought together in a unique partnership to find solutions to local problems, fulfill local needs and to empower the community to help itself. Alamo RC&D coordinates, supports and implements programs at the "grass roots" level, in your own back yard, so that you and other citizens of your community can enjoy a healthy local economy and a healthy environment.

Some of the programs sponsored by Alamo RC&D in its 10 county area are:

- ◆ Improve services to Youth, Senior Citizens and the community
- ◆ Assist communities during disasters
- ◆ Provide a safer, cleaner environment for the community
- ◆ Improve water resource management
- ◆ Energizing the nonprofit sector with funding advice and fund source assistance
- ◆ Plugging old water wells to stop potential pollution
- ◆ Removing tires from watersheds
- ◆ Bringing much needed sewer and water infrastructure to small rural communities
- ◆ Informing local farmers and ranchers of new agricultural techniques through workshops
- ◆ Providing internet information on land management
- ◆ Assisting Volunteer Fire Departments and EMS in rural areas to get updated equipment

SIGN ME UP! I would like to volunteer!
